Re: reference letter from NOVERO Homes and Renovations

To whom it may concern,

I am writing to recommend the services of The Dream Clean to you. We have been impressed with the level of detail this company puts in their preliminary walk through, pricing quotes, execution with our clients and follow up with us directly. From project planning to execution- our team and clients are happy with the whole experience.

This is a company that stands above the rest in the industry and would highly recommend this business to industry colleagues.

Sincerely,
Suzanne Di Meglio
